Why Ferncliff Summer Camp?

At Ferncliff, we welcome campers into a life of caring for Creation, others, and themselves. Through our nature-based camp programs, we foster a connection between campers and the natural environment - which is growing increasingly challenging for kids of today. We hike mountains, swim in the creek, fish in the lake, and learn to love and respect God's Creation. All of these activities (and more!) happen in small groups of campers with trained young adult mentors where they have an ability to develop interpersonal skills, strengthen their sense of identity, and explore their faith. Our camp programs have daily Bible studies, evening worships, and provide opportunities for campers to consider what they believe and what God is doing in their lives.

Our campers will grow up to be caretakers of Creation, peacemakers in their spaces, and faithful disciples of Christ.

Our Program Goals:

Ferncliff's mission statement is:

“As an expression of God’s love, Ferncliff welcomes people into a life of caring for Creation, others, and themselves.”

After a week of camp, campers of all ages at Ferncliff will have had the opportunity to...

- Expand their independence
- Strengthen their sense of identity
- Develop interpersonal skills
- Interact with creation
- Explore their Christian faith

Who are we?

Ferncliff is a nonprofit camp and conference center located on 1,200 acres just west of Little Rock, Arkansas. While we are affiliated with the Presbyterian Church (USA), we welcome those of all traditions and backgrounds. Since our start as a summer camp in 1937, we have grown to include year-round conference facilities, a Nature Preschool, and the Disaster Assistance Center alongside our camp programs.

2026 Ferncliff Day Camp Info

Camp Check In & Check Out

When do Day Camp sessions begin and end?

Our Day Camps begin on Mondays, and run Monday through Friday. Unless registered for extended hours, drop off is between 8:30am and 9:00am. Pickup is from 3:30pm to 4:00pm. Drop-offs and pick-ups outside these windows are very difficult, as our camper groups range all over our large camp property, and may be in the water, on the top of the mountain, or out at the farm. Drop off and pickup times will be strictly enforced. Please see the "2026 Ferncliff Day Camp Caravan Drop-Off & Pick-Up Info" page below for more information on the option to drop-off and pick-up your camper at Second Presbyterian Church during a week of Day Camp

What are your options for extended hours?

Early Drop-Off at Ferncliff is available for an additional charge of \$50.00 per week from 7:30am – 8:00am Monday through Friday. This option includes breakfast for your camper! Late Pick-Up is available for an additional charge of \$30.00 per week from 4:00pm – 5:30 pm Monday through Friday

When dropping off and picking up your child, please stay on all camp roads and obey the camp speed limit, which is 10 miles per hour. Be aware of any animals, pedestrians, or bike riders as you drive through camp.

Prior to drop off time, staff members are busy preparing for campers, so we ask that all campers arrive during the scheduled times. In the evenings our staff members have other responsibilities and duties. As such, we cannot provide care for campers outside their scheduled pick-up times.

Preparing For Camp...

Does day camp include meals?

It's optional! When registering your child for camp, you are given the option to opt in to provided lunches or opt out and pack your own child's lunch. Morning and afternoon snacks will be provided to every child regardless of what lunch option they have. Keep in mind that if your child goes through the lunch line without having previously opted in during registration, your account may be charged.

What's the camper-to-counselor ratio?

Our groups follow the counselor-to-camper ratios of the American Camp Association - 1:8 for day campers under 8 years old and 1:10 for campers 9 years old and up. There will be one to three staff members with each group. All campers in a group will be the same approximate age, usually within a couple of grades. Typically, camper groups are co-ed, though occasionally, a family group may be composed of all female campers and counselors or all male campers and counselors.

Do you have medical staff on duty?

Yes. We have a registered nurse on call at all times. In addition, all of our staff are trained and certified in First Aid and CPR.

Do you have lifeguards on duty? What if my child is not a good swimmer?

Yes. We have a team of certified lifeguards and we've got lots of opportunities for kids of all swim levels. At the beginning of the week of camp, our lifeguards have each camper complete a skills check so that they're able to get a good sense of the swimming abilities of each camper and recommend areas accordingly. Our pool is a zero-entry sloped pool, that goes to five feet deep. Many of our younger campers spend the entire pool time playing in the shallow area.

We also swim in the creeks at camp and Belden Pond. There are lots of shallow parts in our creek swim areas where kids can skip rocks, build forts, and play, as well as the deeper swimming areas. Belden Pond is a small natural lake area that's home to the AquaPark (inflatable floating obstacle course). Lifeguards are on duty at all times kids are in the water - at the pool, in the creek, and at the AquaPark - and each group's camp counselors swim with the kids the entire time.

We know Ferncliff is a Presbyterian camp, but we're not Presbyterian. Can my camper still attend camp?

Of course! Campers come from many different faith backgrounds, including some with no faith tradition at all. Our summer staff members are all Christian, but not all are Presbyterian, either. We only ask that all campers participate in the daily Bible studies and worship times that are part of our camp programs.

Can my camper's friend be in the same group as my camper?

Yes. While making new friends is an important part of the camp experience, in the registration process you will be asked if you have a buddy request. There you can put in one friend's name and they can put your child's name on their registration form so we know to put the two together. We do not put larger groups together because it can put others in the group at a disadvantage; we do not want situations where, for instance, a single camper is put with a group of five campers who are already close friends.

What should my camper bring, and what should my camper leave at home?

See the packing list!

What if my camper loses or forgets items at camp?

We collect any items we find each week in a Lost and Found area. If you arrive home and realize something is missing, reach out to our office! We keep lost and found items for about two weeks after each session of camp before donating the items. Please be aware that Ferncliff is not responsible for any items that are lost or damaged while at camp. Campers are also responsible for keeping up with their own items. As noted on the packing list, do not send anything with your camper that is irreplaceable or would be devastating to get dirty.

Can you accommodate transgender campers?

Yes. In alignment with our faith, vision, and mission, Ferncliff welcomes all persons, regardless of their sexual orientation or gender identity, as guests and as full participants in all our programs. We do welcome transgender staff members and campers. If your camper identifies as transgender, we invite you to call our office or email our director before the summer starts so we can discuss what arrangements would best suit your camper. Our full policies regarding transgender campers and guests can be found on our website.

Camper Accommodations

Can you accommodate campers with special dietary needs?

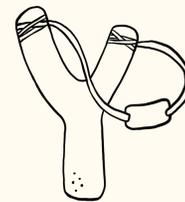

We can usually accommodate the most common dietary restrictions, including allergies. Let us know about dietary needs in advance by calling our office or emailing our director before your child comes to camp. In addition, please indicate dietary needs on the registration form. Parents of campers with allergies or dietary restrictions may bring 'safe' food for their child in a lunchbox each day or enough to be kept in the dining hall for meal times, if approved in advance.

Can you accommodate campers with special needs?

Our counselors generally are not trained with the specific skills required to work with children with special needs. In some instances, exceptions can be made after we consult with the child's parents and the child's doctors. Call our office or email our director before the summer starts so we can discuss what your camper would need to be successful at camp. Please do not send a child with special needs to camp without first consulting us.

Can you accommodate service animals?

We do accommodate staff members and campers with service animals. A service animal is individually trained to do work or perform tasks for people with disabilities - please note that we do not allow pets or emotional support animals at camp. Call our office or email our director before the summer starts so we can discuss what your camper and their service animal would need to be successful at camp. Please do not send a child with a service animal to camp without first consulting us. All families should be aware that their camper may be staying in a facility with a service animal who is trained to serve a specific function for its owner. If your camper will be in a cabin with a service animal, you will be informed at camp registration on the first day of camp.

Payment & Cancellation Policy

Upon registration, a \$50 deposit is required with each Day Camp registration. **The \$50 deposit is nonrefundable**; however, any other payments made towards your registration are fully refundable up to two weeks before the camp session start date. Within two weeks of the camp session start date, no refunds will be issued if you must cancel your registration.

Final payment of your camp balance is due two weeks prior to each camp session. You can pay your balance in installments and can view your balance at any time by logging into your account.

In the event that Ferncliff must cancel a camp session, families can choose to have their payments donated to Ferncliff or fully/partially refunded.

Camper Behavior Covenant

At Ferncliff, we welcome our campers into a life of caring for Creation, others, and themselves. We want every camper in our programs to have the best camp experience possible, full of fun, learning, and growth.

To ensure that we maintain a relationally safe environment and each camper is free to experience camp life to its fullest, we will not tolerate any behavior that takes that opportunity away from other campers. We will address all incidents such as bullying and irresponsible behavior, and will train the staff to recognize and respond to such behavior.

Understanding that camp is for ALL campers, any behavior deemed by the camp to be outside of the camper behavior covenant and/or unmanageable may result in any or all of the following:

1. Meeting with the group counselor, coordinator, or program director to discuss the behavior.
2. A telephone call home to the parent/guardian to discuss the behavior.
3. Being sent home from the camp session.

During registration, parents are asked to discuss this behavior covenant with their camper and sign that they have read and agree to live within the covenant stated below.

AS A CAMPER I WILL:

- Know and follow the rules of camp.
- Show respect to other campers, and try to be a friend to all. Show respect to camp staff, and cooperate fully with their instructions.
- Understand that for my safety and the safety of others, I will always stay with my group and/or in a group of three, where one of those three is a staff member.
- Communicate in a camp-appropriate manner, which means I must not use foul language or gestures, discuss topics that are not camp/age-appropriate, or raise my voice at others in anger. I understand that unwelcome teasing or other unkind behaviors are not allowed.
- Refrain from deliberately causing physical harm to other campers or staff. I understand that pushing, kicking, hitting or fighting are not acceptable and will not be tolerated.
- Respect the property of others and camp, which includes no stealing, property damage, graffiti, or vandalism. I will only enter the cabins and buildings that I am directed to enter.
- Remember that physical displays of affection or of a romantic nature are not appropriate at camp.
- Be fully responsible for my actions and understand that irresponsible behavior will result in disciplinary conversations and possibly being sent home from camp.
- Have lots of FUN, learn, grow, and have a GREAT time!

I'll do my part to help make camp fun for everyone! As a camper, I will help hold other campers and camp staff accountable to this covenant. If I encounter others who are not following this covenant, I will share that with my counselor or coordinator.

General Health & Wellness

Children are to be kept home or will be sent home if they have any of the following symptoms or illnesses:

- Fever of over 100.4 degrees
- 2 or more instances of diarrhea
- 2 or more instances of vomiting in 24 hours
- Sudden and severe change in behavior
- Mouth sores or rash with fever
- Pink eye (not yet treated with drops)
- Head lice
- Active tuberculosis
- Impetigo (not yet treated)
- Strep throat (until 24 hours after antibiotic has started)
- Chicken pox
- Rubella, pertussis, mumps, or measles
- Hepatitis A

If your child is home sick, or has to miss camp for any other reason, please notify a director by email or phone call as soon as you're able.

Staff will be monitoring children throughout the week. If any child comes down with a contagious or infectious illness or is unable to participate in the typical routine of camp, they will be isolated and their parent/caregiver will be notified and asked to pick them up.

All staff are certified in CPR/First Aid. Any child who is injured will be cared for by the staff and/or camp nurse up to their abilities. More severe injuries may need to be treated off site. Parents will be notified by phone call and/or an incident report for all injuries depending on the severity of the injury.

Medication from home will be given to children only with signed parental permission which includes date, type, drug name, time, and dosage. It must be in the original container, not have an expired date, and be labeled with the child's name. Our camp nurse may provide over-the-counter medications including but not limited to aspirin, ibuprofen, acetaminophen, claritin, zyrtec, benadryl, melatonin, pepto bismol, and cough or cold medication. These medications will be in the original container.

Children with special health care needs who require scheduled daily medications and/or emergency medications should have a care plan. A care plan will be created with a director and parent to include parameters, directions, and symptoms for needing the medications. A medication log will be kept and will include the time, date, dosage administered, and the initials of the staff who gave the medication.

There will be no refund of registration fees given for camp days missed due to illness. As a licensed child care provider, we are required to follow all health department guidelines.

Safety Procedures:

Ferncliff follows Arkansas State laws regarding booster seats and child restraints. **If your child requires a booster seat please send one to use for transportation.** This booster seat can be returned each evening if needed, or stay in the van for the week.

Campers will be directed where to gather prior to taking the van to camp and will remain under staff supervision throughout the arrival period. When it's time to head to camp, staff will assist campers in loading their belongings into the van and buckling seat belts. During transportation, campers will be asked to follow safety rules: seated, seat-belted, respectful of others and the vehicle, and not distracting the driver. Once at camp, staff will connect each camper with their group, ensuring campers and their belongings are in the care of their small group counselors. In the afternoons, staff will gather all caravan riders from small groups and assist campers in loading their belongings into the van and buckling seat belts. Once at Second Presbyterian Church, staff will direct campers where to gather until parent pick-up, and supervise campers until they are checked out.
